SUPPLEMENTARY INFORMATION: In the “Rules and Regulations” section of this **Federal Register**, the EPA is codifying and incorporating by reference the State’s hazardous waste program as an immediate final rule. The EPA did not make a proposal prior to the immediate final rule because we believe these actions are not controversial and do not expect comments that oppose them. We have explained the reasons for this codification and incorporation by reference in the preamble to the immediate final rule. Unless we get written comments which oppose this incorporation by reference during the comment period, the immediate final rule will become effective on the date it establishes, and we will not take further action on this proposal. If we get comments that oppose these actions, we will withdraw the immediate final rule and it will not take effect. We will then respond to public comments in a later final rule based on this proposal. You may not have another opportunity for comment. If you want to comment on this action, you must do so at this time.
